Objective: A methodical Front End specialist seeking a position that will utilize my web development and design expertise.

Education: 2007, Bachelor of Fine Art Degree, the American Academy of Art
Chicago, Illinois
Major in 3-D Modeling & Animation | Digital Imaging & Design

Skills: HTML, CSS, JavaScript, jQuery, GIT, SourceTree, GitLab, SVN/ Versions, AEM, CRXDE, CQ5, Scene7, SublimeText, Eclipse, WebStorm, Bash/ Terminal, JIRA, Charles Proxy, VirtualBox, VMWare, DiffMerge, Adobe Analytics/Omniture, Photoshop, Illustrator, After Effects, Premier, CorelDraw, 3D Studio Max, Maya, UX, Front End Dev Management, Dev Support & Maintenance, Agile/Scrum, Debugging, Mobile Development, Consuming API Data, Personalization, A/B Testing, Analytics/Tagging, Responsive Web Design, Wiki Authoring/ Documentation, SEO, Microsoft Windows and Apple OS X, Microsoft Office Suite

Work: **Web Dev Manager, Sears Holding Corporation April 2014 - Present**
Senior Web Developer April 2013 - April 2014
Junior Web Developer June 2010 - April 2013

Lead a team of developers who handle everything from production work to building Enterprise-level frameworks, using various Front End technology.

Web Designer, Calumet Photographic October 2007 to May 2010

Designed and developed landing pages, promotional banners, e-blast templates for all 4 Calumet websites (US, UK, DE, & NL)

Art Director, The Alley Stores July 2006 to May 2008

Worked closely with the owner and created promotional content such as T-shirts, flyers, posters, and mailers.

Trained employees how to use Vinyl Transfer equipment, basic computer skills, and fundamental digital imaging techniques.

Interests: I spend most of my time going on adventures with my wife and son.

I have a strong appreciation for nature and enjoy the outdoors. On a given weekend, you might find me kayaking, camping, or hiking. On occasion I do volunteer work for the Illinois conservation district.
